Experience

CodeRaccoon, SAP Consultant & Educational Content Creator (Team Lead) Nov 2025 to Aug 2026
Accra, Ghana

- Served as SAP Consultant and Educational Content Creator, combining SAP S/4HANA Cloud consulting work with instructional design for internal and client-facing training programs
- Completed the End-to-End Business Processes with SAP S/4HANA Cloud (IEE2E) course at Brandenburg University of Applied Sciences, covering SAP Fiori navigation and case studies across Logistics, Accounting, and HCM
- Built professional e-learning courses, interactive simulations, and content for varied target audiences using Rise 360, Articulate, and the Assima platform
- Completed AHK (German-Ghanaian Chamber of Commerce) intercultural training for IT professionals, supported by Germany's Federal Ministry for Economic Affairs and Energy
- Executed manual test cases and led software, AI, UI/UX, and user (beta) testing for the AmbionCraft platform, documenting defects and feedback
- Earned a personal Prompt Engineering certification, then trained and led the team on prompt engineering practices as Team Lead
- Managed team timesheets and status reporting using Excel (including automation) and Word; completed German A1/A2 language training
- Skills gained: SAP S/4HANA Cloud, Instructional Design (Rise 360, Articulate, Assima), Software/QA/UI-UX Testing, Prompt Engineering, Team Leadership, Excel Automation

NextIT Consult, Database Management Intern (Odoo) May 2025 to Aug 2025
Accra, Ghana (Hybrid)

- Managed the company's business database using Odoo Business Solutions Software, including data entry and data warehousing
- Supported daily operations and digital tasks, contributing to smoother business processes

KNG (Knowledge Network Group), IT Intern Oct 2023 to Nov 2023
Accra, Ghana

- Trained in Java programming, with focus on Object-Oriented Programming (OOP)
- Assisted in daily operations and software development processes
- Collaborated on team-based project improvements
- Skills gained: Java programming, object-oriented programming, teamwork and collaboration

Volunteer experience

NextGen Youth Movement, Facilitator, Teens Conference 2026 2026
Ghana
- Facilitated AI and Coding session at the Teens Conference 2026, contributing to the growth and development of young people; received a Certificate of Appreciation from the Executive Director

Ideal Market (Supermarket), Volunteer Database Assistant Sept 2022 to Dec 2022
Accra, Ghana
- Assisted in setting up and managing store databases using Odoo software
- Supported inventory tracking and data organization for improved store operations
